Secretary	Nancy Ottendorf
Treasurer	Nancy Davis
ARC	Rob Berge Scott McEver

Board Members	Allison Sava
	George Ottendorf
	Doug Dilts
	Bill Davis
	Barbara Shepherd

FROM THE PRESIDENT:

I would like to thank the people who attended our last meeting. The Board greatly appreciates your input and support. For those of you that were unable to attend you can review the Power Point Presentation and the minutes on our website:

www.aquietplacehoa.com

There have been a few complaints in regards to residents dumping grass clippings, yard trash, animal waste, etc. on the vacant lots in our community. Please remember that these are private lots and are not to be used as "dumping grounds" because of their convenience. This type of trash invites snakes, field mice, rats and other critters that we can all live without.

Any other concerns or issues you may have, please contact me or any other Board Members.

Treasures Report:

There are still some unpaid dues from property owners. Just a reminder...please get those in and remember, we are all a part of this community!

Roads:

We are still currently working on a formal request to the county and will be going around getting your signature support soon.

Bus Stops:

This year there will be one bus stop location and it will be at the corner of Ludlow and Country Circle Drive. In association with the response from many homeowners, we will not be placing a gazebo at this bus stop. We have however placed benches at this location. We are considering bike racks as well. For the safety of all, please encourage your children to use these benches instead of sitting in the street.

Watch Your Speed:

We have received many complaints about speeding throughout our community. Our children are back in school and will be walking to their bus stops. Let's take care of our kids and each other....**SLOW DOWN and SHARE THE ROAD!!!!**

Upcoming Quiet Place Events:

Christmas Lighting Contest - Judging December 20, 2008
